Description

Here is a beautiful bronze piece, finely chiseled and painted in a naturalistic style, late 19th century Viennese bronze: a handsome monkey with curled tail, appearing very agile and carrying a feather duster/brush on its back. A fun item for an animal lover. Good condition, minimal wear, no retouching; the piece doesn't appear to have seen much use. Brush is shedding a little. Dimensions: approximately 15.5cm x 7.5cm x 5cm, Weight: 500g. Signed "Geschutzt" (registered), difficult to see. Please examine our photos carefully. Available for immediate purchase, payable by credit card or PayPal. - eclectic - We are not experts, but have been in the business for over 50 years. Hassle-free refund if you are not satisfied.
