

Embossed Brass Ceremonial Platter With A Flemish Scene Decoration - Late 19th Century - Diameter

150 EUR

Period : 19th century

Condition : Etat d'usage

Material : Brass

Diameter : 64

Depth : 2

Description

Superb repoussé brasswork depicting a festive village scene in the Neo-Flemish or Neo-Renaissance style. The border is richly decorated with mascarons, floral scrolls, and cut-leather motifs. Its spectacular 64 cm size makes it ideal for a striking wall decoration. In good condition - the reliefs are well-defined. Ready to display with its hanging hardware on the back. Free shipping within mainland France and Corsica. Carefully packaged - shipped with tracking within 24/48 hours. Payment accepted by credit card, bank transfer, or PayPal.
