Description

Elegant elm wood coffee table. Round top and base made of four twisted legs and crossbars. A slight irregularity on the edge of the tabletop and a small crack (not affecting the table's sturdiness) are likely due to natural warping over time. This adds to its charm and authenticity. Finished with an oil-wax coating to prevent watermarks or other accidental stains. Dimensions: tabletop diameter = 93 cm; height = 55 cm. EUR420 including VAT, to be collected as is. VAT recoverable. Shipping or delivery available upon request (quote required).
