

Royalist Engraving - Portrait Of Queen Marie Antoinette, Period Charles X Marquetry Frame

110 EUR

Period : 19th century

Condition : Très bon état

Material : Wood marquetry

Description

A royalist engraving from the Restoration period, an interesting historical souvenir dating from the early 19th century, during the Restoration, in its original rosewood marquetry frame. It is a full-length portrait of Queen Marie Antoinette. The piece is in good condition. The marquetry of the French-varnished frame has been cleaned by our cabinetmaker, and the engraving is clean.

Frame: 28cm x 23cm
