1 700 EUR

Period : 18th century

Condition : Bon état

Length : dimensions : vue d'un médaillon : env. 4 cm x 5 cm

Width : 29 cm

Height : 48 cm

Description

A gilt and carved wooden reliquary frame decorated with a cherub's head at the top and foliate scrolls, with four reliquary medallions, dating from the 18th century. This frame is in good overall condition and of remarkable quality. Traces of relics are visible in the medallions. Please note: a small chip and missing piece on one leaf border, a small crack under the cherub's head, old wormholes, and signs of age. Please examine the photos carefully. Dimensions: view of a medallion: approx. 4 cm x 5 cm. Height: 48 cm. Width: 29 cm. Reference: D20 87. All photos are available at: www.antiques-delaval.com
