Description

Gustave Madelain - "Notre-Dame de Paris" A very beautiful oil on canvas by the French painter Gustave Madelain depicting the famous Notre-Dame Cathedral in Paris, seen from the banks of the Seine with a bridge and a boat in the foreground. The luminous composition and the artist's sensitive touch capture all the poetic atmosphere of Paris. The work is signed in the lower left and displays a delicate treatment of light and the reflections of the Seine, characteristic of landscape painting and Parisian views from the early 20th century. Beautiful original frame. Dimensions without frame: 60 x 73 cm. Dimensions with frame: 80 x 91 cm. ==> Exchanges and buybacks possible for any antiques.
