

Pair Of 17th-century Railings

3 800 EUR

Period : 17th century

Condition : Bon état

Material : Oak

Length : 336

Height : 105

Depth : 17

Description

Pair of low partition doors in four sections, meeting in the center and forming a balustrade at the junction. Oak wood with a beautiful patina. I haven't touched them; they just need dusting and a loose balustrade needs fixing. I will do this upon request and include it in the price. Length 336 cm, height 105 cm, door opening 150 cm
