Description

We present this exclusive antique Italian table, crafted in the late 19th century. The table is made of solid poplar wood and features a cream-colored lacquer finish on the legs, while the top is a natural wood color. This table is very simple and linear, free of excessive ornamentation. Its design focuses on practicality, as it was originally intended for household chores. It features a top shelf, two practical drawers, and an additional lower shelf for storage. This additional work table is perfect for the kitchen, bathroom, or laundry room--any room in the house where household chores need to be done. You can complete your chores without sacrificing the charm of your decor. Please note that the table has signs of wear on the lacquer due to age and use. These signs
