Description

An elegant 20th-century Italian vintage wall-mounted bookcase, featuring four slender vertical uprights, evenly spaced shelves, and a long base unit with hinged doors and drawers running the full width of the bookcase. The uprights are veneered in exotic wood, while the central doors feature a refined herringbone pattern that highlights the wood grain. The ring keys, which also serve as handles, are made of brass. This product has been restored by the experts in our restoration laboratory. We strive to present the item's actual condition as accurately as possible with the photos. If any details are unclear from the photos, the description will prevail.
