Description

COD 11515 A French half-moon commode from the mid-20th century. A beautifully crafted Louis XVI-style furniture, finely carved and veneered in mahogany, mahogany, and beech. The original high-quality marble top is thick and heavy, making it a good size and practical piece. The dresser has three central drawers and two side doors, offering excellent storage capacity. The furniture is attractively adorned with wood and chiseled and gilded brass decorations (see photo). The commode rests on four solid fluted legs with brass feet, offering excellent stability. Complete with three keys, the lock on the top drawer needs to be revised. Overall, the commode is in good condition. As each of our products it will be accompanied by a certificate of authenticity and guarantee with photographic documentation. Visit
