Description

Crystal and Bronze Inkwell - Late 19th/Early 20th Century Elegant desk inkwell featuring a frosted crystal base shaped like a leaf, embellished with a refined bronze mount engraved with floral motifs and decorative scrolls. The central inkwell, also made of bronze, features a hinged lid with relief decoration. This piece reflects the decorative taste of the late 19th/early 20th century, with references to the Liberty/Art Nouveau style, characterized by sinuous lines and naturalistic motifs. Perfect as a decorative desk item or a collectible. Features: * Period: Late 19th/Early 20th Century* Materials: Frosted crystal and bronze* Craftsmanship: Casting and engraving * Style: Liberty/Art Nouveau * Condition: Good, with a patina consistent with its age This inkwell was not only
