Description

Antique Painting - Oil on Cardboard - Rural Landscape Signed M. Langeron - Gilt Frame - 20th Century. Charming antique oil painting on cardboard depicting a rural landscape, signed M. Langeron in the lower right corner. The work represents a country lane leading to a hilly landscape, bordered by slender trees and fields. To the left, a few rural dwellings can be seen, enhancing the peaceful atmosphere of the scene. The painting features a beautiful palette of soft, natural tones, with a very well-rendered cloudy sky and a perspective that guides the eye along the lane. The painting is presented in an antique molded giltwood frame, which perfectly highlights the composition and adds considerable character. An ideal decorative piece for a country setting, a period home, or classic decor. Technical
