### Description

A Loire Valley bookcase crafted from solid cherry wood, distinguished by its classic elegance and high-quality workmanship. Its facade features two glazed doors framed by simple uprights, each equipped with a key and a functional lock. Long, decorative brass door handles add a refined and authentic touch. Inside, four adjustable shelves on a rack system allow you to customize the space to suit your needs, whether for books, decorative objects, or collections. The silhouette is harmoniously structured by a cyma recta cornice, while the undulating lower rail and small cabriole legs emphasize the regional character and refinement of the piece. A warm, stable, and perfectly proportioned piece, it embodies the charm of traditional furniture, combining functionality and timeless aesthetics.
