

Pair Of Turquoise And Pearl Earrings, Napoleon III Period

1 200 EUR

Period : 19th century

Condition : Très bon état

Material : Gold

Length : 5 cm

Description

Pair of earrings, French work, Napoleon III period. The earrings consist of two movable loops with a chased scrollwork design, embellished with a motif set with calibrated natural turquoise and white half-pearls, all enhanced by a knot motif. The setting is 14-karat yellow gold (585/1000). The loops fasten with a system at the front and a flap at the back. Gross weight: 4.5 g. Length: 5 cm. This pair of earrings is in excellent condition, full of movement, original, and comfortable to wear. Free shipping with declared value and insurance, accompanied by an invoice via email.
