Material : Solid wood

### Description

Description: This spectacular circular pouf, designed and made in Italy in the 1980s, is upholstered in luxurious deep red velvet and adorned with elegant button tufting. Its generous round shape creates a striking central island, ideal for sophisticated interiors. What truly distinguishes this piece is its central sculptural column topped with a bronze faun, a mythological figure associated with luck, vitality, and prosperity in ancient Rome. The finely chiseled bronze sculpture adds a striking artistic touch, transforming the pouf into a functional sculpture and conversation piece. The contrast between the rich velvet and the expressive bronze figure reflects the bold theatricality characteristic of late 20th-century Italian design, where furniture often merged decorative arts and
