Description

Panel with abas-relief in elm wood, measuring 107 × 34 × 3 cm, created by Renato Soppelsa(1931 Cencenighe - 1962 Feltre).The work is arrangedvertically and is divided into three figurative registers in bas-reliefdepicting hunting scenes: the first register features animal figures, thesecond a man armed with a bow, and the third two male figures, one of whom ison horseback. The carving leaves the traces of the carving visible.It is in good condition.It shows slight warping due to the wood's natural movement, which is consistentwith the nature of the material and the period in which it was made.The work is dated andsigned in the bottom right-hand corner: R. Soppelsa, '60
