### Description

Scandinavian teak center desk, circa 1960. This beautiful Scandinavian teak center desk, dating from the 1960s, boasts a superb original patina that highlights the quality of the wood and its warm grain. With its angular and elegant design, characteristic of mid-20th-century Scandinavian furniture, this desk is designed to be placed in the center of a room and features a meticulous finish on all sides. The front opens with three drawers and a door, providing practical storage space for documents and accessories. Beneath the desktop are two storage niches, ideal for organizing files or everyday items. The desk impresses with its clean lines, fine craftsmanship, and excellent condition. Dimensions: Height: 79 cm Width: 135 cm Depth: 65 cm. An elegant and functional desk, perfect for a modern, vintage, or designer
