Description

Hans Erni (1909-2015). Large original ink and wash drawing depicting a composition of female figures, characteristic of the artist's elegant linear style in the 1950s. A work of great finesse, where the fluid line and the contrast of the wash highlight the construction of the figures. The work is signed and dated 20.1.53 and bears a handwritten dedication. This sheet perfectly exemplifies the graphic language of Erni, a major 20th-century Swiss artist, renowned for his monumental drawings and compositions.
