Description

An artist's book by Bertrand Lavier entitled Random, accompanied by an original print. A major figure on the French contemporary art scene, Bertrand Lavier is known for his conceptual work blending painting, objects, and installations. The book is presented in its characteristic yellow cover. It is accompanied by a separate original print. The sheet is signed in pencil BL and dated 2002. The stamp of the Chalcographie Guillochin Estampes printing workshop is also visible. This print was created specifically for this edition. Together, they constitute a true artist's book, a category highly sought after by contemporary art collectors. The copy presented here is numbered 285. The sheet is loose and not glued, confirming the presence of the original print. Very good overall condition. A
