Description

A collection of programs from the Auxerre city theater dating from the mid-19th century. More than 140 programs from the Auxerre city theater in Burgundy (France). The numbers are not sequential and have been collected over time by an enthusiast. The oldest program dates from 19 Floréal (May 19). The majority of these programs are from the mid-19th century. Most are double-sided, and all are perfectly legible without any glued sections or tears. There are a few signs of wear, but nothing serious. An exceptional collection for enthusiasts of theater and provincial culture in the 19th century.
