Description

Elegant set of four Spanish wall sconces made in the 1950s. They are crafted in brass and feature a decorative design inspired by neoclassical forms reinterpreted in mid-century decorative lighting, with curved double-scroll arms and a central vegetal decorative element. Each sconce has two candle-shaped light holders. Their slender proportions and balanced design make them suitable for both classical interiors and eclectic or modern spaces. The lot consists of four sconces arranged as two identical pairs, which can be sold together or as separate pairs. Working electrical system. Period: 1950s Origin: Spain Material: brass Dimensions Height: 53 cm Width: 33 cm Depth: 13 cm Professionally packed for safe shipping.
