

## Bronze Cup, Vase By Warwick Susse Frères.

500 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

### Description

A bronze cup, known as a Warwick vase, dating from the 19th century. It has a finely chased brown patina and is richly decorated with antique figures, lion heads, and acanthus leaves. A frieze of vine leaves and bunches of grapes adorns the surface. The handles are shaped like vine stocks. It is in good antique condition, with signs of age consistent with its age.
