Description

An exceptional Ottoman banner in remarkably good condition, having been kept folded and protected from light for two centuries within the same family in Bulgaria. Carefully framed in the 1970s, it shows no wear or missing pieces. The white silk muslin backing is embroidered with silver and gold bullion, forming a design of lamps and floral motifs. The medallions bear the same Tughra, the signature of an Ottoman sultan. An extremely decorative and spectacular piece. Framed and under glass.
