Description

Antique - Decoration - 19th Century Dimensions: 105 x 48 cm, H: 90.5 cm Materials: Wood - Marble 19th-century French commode in imitation bamboo. Style: Typical of the late 19th century, this commode is made of wood imitating bamboo knots. Structure: It has four drawers and a white marble top, which was previously damaged and repaired. Important note: Despite our careful packaging, we cannot guarantee that the marble tabletop will arrive intact; it is highly likely to be damaged during transport. Any previous "repairs" are not at all secure. Feature: The uprights are decorated with hand-turned moldings to resemble bamboo.
