Description

Set of six "Nobel" liqueur glasses by Gunnar Cyrén for Orrefors - Sweden. An elegant set of six hand-blown glass liqueur glasses, signed by the prestigious Swedish company Orrefors and designed by the renowned designer Gunnar Cyrén. These glasses belong to the famous "Nobel" series, created to celebrate the Nobel Prize banquet. Each piece is delicately hand-painted and rests on a figurative stem depicting a stylized and mischievous little devil in bright, contrasting colors (red, blue, black, and gold). This cheeky character adds a playful and instantly recognizable touch to this iconic series. Highly decorative and sought after by collectors of contemporary Scandinavian glassware, these glasses also pay homage to late 20th-century Swedish design. Manufacturer: Orrefors
