### Description

? Vintage Strafor armchair in chromed tubular steel - reupholstered seat - modernist design ?????  
Elegant vintage armchair from Strafor, remarkable for its chromed tubular steel frame and fluid lines typical of mid-20th-century modernist furniture. This type of chair, inspired by Bauhaus design and the modernist movement, combines visual lightness, comfort, and high-quality craftsmanship.???? The bent steel tube frame forms a sled base, very characteristic of furniture from the 1930s-1960s. The rounded armrests harmoniously extend the uprights and give the armchair an elegant and ergonomic silhouette.???? The seat and back have been completely reupholstered in a contemporary graphic fabric with red and ecru organic patterns. The contrast between the chrome frame and the
