

Large, Rare Spiral Desk Lamp By Luc Bernard In White Metal, France 1974

3 800 EUR

Signature : Luc Bernard

Period : 20th century

Condition : Très bon état

Material : Metal

Description

Table lamp in very good original condition. Designed by the French designer Luc Bernard in 1974. These lamps were produced in very limited editions; to our knowledge, only two of these lamps remain. The lamp is made of lacquered aluminum in a spiral shape, making it an impressive sculptural object. The spiral shape creates a beautiful lighting effect when the lamp is on. Dimensions: H65 x W50 x D30
