

19th Century Stone Putti

1 480 EUR

Period : 19th century

Condition : Bon état

Material : Stone

Width : 50

Height : 136

Depth : 40

Description

An exceptionally large (136 cm) 19th-century stone putto. Made in Italy, it was long displayed in a garden, which has developed a beautiful patina with moss. The sculpture is full of exquisite and beautiful details, such as the vine that gracefully twines around the putto's body, the tree trunk with leaves behind, as well as the figure's detailed anatomy and serene expression.
