"the Ploughman's Romance"

490 EUR

Signature : À. Simon

Period : 19th century

Condition : Bon état

Material : Oil painting

Width : 68

Height : 50

Description

A beautiful example of naive painting, reminiscent of Millet for its inspiration and Henri Rousseau for its graphic style. The freshness of this scene of seduction in a rural setting is captivating. The numerous details make this painting an ode to rural life. Dated 1890, this work displays a modernism that was rare for its time.
