Description

Fine white porcelain basket made by the renowned Hungarian manufacturer Herend, world-renowned for its quality and refined hand-painted decorations. The piece features a lattice-like perforation that visually lightens the structure and highlights the finesse of the porcelain. The contoured rim is enriched with rich gilding and polychrome ornamental motifs. Inside, at the center of the base, is a painted polychrome floral bouquet with butterflies, typical of the famous Victoria Bouquet (VBO) decoration, featuring vibrant, finely painted flowers and butterflies. Marked under the base: Herend Hungary - Handpainted, with model number 7488 / VBO.
