Description

René de SAINT-DELIS (1876-1958) Haystack and Hay Cart in Normandy. Watercolor on paper, signed lower left. Framed. Good overall condition. Artwork: 31 x 46 cm; with frame: 44 x 60 cm. Within a vibrant regional artistic circle, including their friends from Le Havre, such as Friesz and Dufy, and those they adopted, such as Braque, René de Saint-Delis and his brother Henri created their own style, embracing modernity. In this large watercolor, René de Saint-Delis revisits a theme typical of Post-Impressionist painting and of Normandy: the haystack. Here, the painter chooses a dynamic treatment through the use of bright colors and the movement of the horses pulling the hay cart visible in the background.
