Description

- Gilt bronze and white opaline chandelier, late 19th - early 20th century. - This gilt bronze chandelier, topped with a white opaline shade, demonstrates a clear decorative sensibility. This is evident in the diversity and richness of its ornamentation, such as the chiseled floral motifs adorning the candle holders, the delicate loops and graceful scrolls filled with numerous serrated holly leaves, and the upward-pointing fleur-de-lis.

- This light fixture can be paired with another chandelier available in our gallery with a green opaline shade. - Good condition, electrified. - Dimensions: Height: 134 cm (can be extended by 25 cm), Width: 64 cm
