Description

Oil on panel by Albert Malet, titled by him "Stormy Evening on the Seine at Saint-Paul near Duclair."Signed lower right and countersigned on the reverse.Dimensions: oil: 33 x 55 cm; Louis XV style frame: 50 x 71 cm.Provenance: collection of Mr. Robert Raust. This is an atypical composition for the painter, who here avoids the vegetation that often, with varying degrees of success, fills the right or left side of his Seine riverbanks. The sky and the transparency of the water are beautifully rendered. The choice of the water in the foreground creates an impression of immersion.
