Description

Iconic Doge table designed by Carlo Scarpa and produced by Simon since 1968. Made with a satin-finish steel frame with brass spacers and a large glass top, its sculptural shape has made it an emblem of the "Ultrasazionale" movement. The item is in good condition, with minor signs of wear. We try to present the item's actual condition as accurately as possible with the photos. If any details are unclear from the photos, the description will apply.
