

Pair Of 20th Century Chinese Carved Mammoth Figures With Traditional Costumes

600 EUR

Period : 20th century

Condition : Parfait état

Material : Ivory

Height : 23

Description

Pair of decorative sculptures from the 20th century carved from mammoth material, depicting two characters from Eastern tradition. The figures likely represent farmers or merchants and are portrayed wearing finely detailed traditional garments. The careful carving highlights the expressive faces and the rich ornamental details of the clothing. A refined pair of Asian decorative sculptures, ideal for collectors of oriental art. Origin: China Period: 20th century Dimensions: 23h cm
