Description

Small 18th-Century Louis XV Desk. This charming small desk, crafted from natural wood, rests on four cabriole legs characteristic of the Louis XV period. The elegant and well-proportioned base is joined by a finely carved, scalloped apron, demonstrating meticulous workmanship. The front features a central drawer adorned with a bronze handle. The solid wood top displays a beautiful antique patina, with signs of use and age that attest to its authenticity and history. An 18th-century piece, likely of regional origin. Condition: Good condition, with signs of wear and age, but no structural damage. Period: 18th century. Material: Solid wood. Elegant and of practical dimensions, this table will find its perfect place as a small desk, side table, or console in a classic or
