Description

A beautiful lamp formed from a 17th-century Spanish bronze candlestick, converted into a lamp. It has its parchment lampshade. This very elegant Renaissance candlestick features a beautiful turning, ending in lion's paw feet. The candlestick has been electrified by us, and we crafted the lampshade in our own workshop. in perfect condition. We would be willing to sell it without the lampshade. Delivery available in Belgium, France, and internationally. Viewable in our 2500m² showroom at 41 Rue Henri Wafelaerts, 1060 Brussels, Belgium. More information and photos available upon request.
