490 EUR

Period : 20th century

Condition : Très bon état

Material : Oil painting on cardboard

Description

Oil on panel. Hand-signed. Launched in Cartagena in 1912, the España was the first of a series of three battleships ordered to modernize the fleet after the disaster of 1898. The painting exudes an impression of power and nostalgia: the black smoke from its boilers mingles with a hazy sky, evoking the era when these steel giants dominated the oceans. Image dimensions without frame: 25 x 35 cm / 38 x 48 cm with a custom frame.
