### Description

Beautiful triangular lamp resting on three feet. Central, a round stem with a ring on top, reminiscent of medieval Auvergne keys. A candle holder, held in place by a three-fold spring, sits on top of this stem, its holder is cut into a flower shape. A lower section features a triangle with raised edges for three oil lamp wicks. This central light fixture slides or rotates easily on its sturdy base with three rolled feet. A beautiful lamp, meticulously handcrafted, it's a pleasure to behold, practical, lightweight, and very robust. In good condition, without any flaws. I had some difficulty removing various layers of paint and finished with a wax patina. Dimensions: 37cm x 26cm x 16cm. Weight: 450g.
