

## Regency Period Carved Walnut Stool.

850 EUR

Period : 18th century

Condition : Bon état

Material : Walnut

Length : 48 cms

Width : 36 cms

Height : 54 cms

### Description

Rare 18th-century carved stool. The four sides are carved with scrolling foliage and shells. The four legs are cabriole. The top is upholstered in a pretty fabric in good condition (a few tiny stains), and lifts up to serve as a small chest. Some restorations and modifications. Delivery possible, please contact us.
