

Mid-19th Century Victorian Mahogany Display Cabinet

700 EUR

Period : 19th century

Condition : Bon état

Material : Mahogany

Width : 95

Height : 174.5

Depth : 36

Description

Refined, medium-sized display cabinet made of finely carved solid mahogany. The display cabinet features a linear design characterized by straight legs, geometric carvings on the sides, and a ribbed top. Mirrors are located on the sides and front, allowing a view inside. The display cabinet opens with a lost-wax cast bronze key and features three shelves, covered in red fabric, for storing objects. English manufacture from the Victorian period, around the mid-19th century. Dimensions: H x W x D 174.5 x 95 x 36cm
