Description

Switzerland, mountain landscape with a stream, a path in the Alps, a glacier in the background, oil on panel, with a trace of a signature at the bottom center, follower of François Roffiaen (1820-1898). A lovely tribute to the mountains, with numerous details: peasants, goats, a hiker, and chalets... The work has a small paint chip which will be repaired in our workshop. It is presented in a giltwood composition frame; the whole is a very attractive decorative piece. 65 x 49 cm
