

## Flat Art Deco Desk In Macassar Ebony

2 850 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Ebony

Length : 1m

Height : 0,745m

Depth : 0,60 m

### Description

An elegant Art Deco flat desk crafted from Macassar ebony, a precious wood renowned for its spectacular grain. It features a drawer in the front and rests on four subtly rounded legs, lending softness and refinement to its design. The entire desk is veneered on all four sides, offering perfect visual uniformity and highlighting the rich grain across its surface. A truly beautiful piece, both understated and sophisticated, characteristic of Art Deco design.
