

Coffee Table In Wood, Metal And Enameled Lava Stone - Work From The 1950s-1960s

650 EUR

Period : 20th century

Condition : Bon état

Material : Ceramic

Length : 109 cm

Width : 45 cm

Height : 35 cm

Description

A coffee table from the 1950s-1960s, composed of a wood and metal frame and an enameled lava stone top. The top displays variations in color due to the firing process, characteristic of this material. Good overall condition. Wear and patina consistent with age. The top is signed with a monogram, the maker of which has not yet been formally identified.
