Description

? Antique Country Desk/Secretary in Solid Pine with Upper Cabinet ????? Authentic country desk/secretary in solid pine, typical of French rural furniture from the late 19th or early 20th century. This type of furniture cleverly combined storage and writing space in country homes.???? Made entirely of solid pine, it has a beautiful natural patina, with knots, golden hues, and signs of wear that tell its story. The wood has been preserved in an authentic style, giving it a great deal of character.???? Under the cabinet, integrated lighting (neon) subtly illuminates the writing area. A practical and welcoming detail, perfect for creating a writing or reading nook, or even a small, cozy workspace.???? The upper section consists of a two-door cabinet, opening onto interior shelves. Ideal for organizing papers,

dishes, books, or decorative objects. The paneled doors and simple proportions perfectly embody the country aesthetic. The lower section forms a true desk, with a comfortable surface and a drawer in the front for everyday storage. The turned legs add a touch of elegance while maintaining the rustic feel of the piece. The unit is in good condition and functional, with normal signs of age for an antique piece, which contribute to its charm without compromising its use. This piece integrates easily into various settings: o country house or rustic interior o home office nook in a living room o entryway furniture with storage o kitchen or living room for an authentic touch. A vintage piece full of life, both practical and decorative, ideal for creating a warm and unique space.
