

Mid-19th Century Mahogany Corner Cabinet

1 400 EUR

Period : 19th century

Condition : Bon état

Material : Mahogany

Width : 81

Height : 154

Depth : 51

Description

Elegant corner cabinet veneered in finely carved mahogany strips. The corner cabinet has a round, linear shape, featuring a top drawer and a door. The door, opened with a lost-wax bronze key, reveals four shelves, perfect for storing items. This is a tasteful and refined piece of furniture, capable of adding a touch of class to any space. Made in Genoa (Liguria, central Italy) in the mid-19th century. Dimensions: H x W x D 154 x 81 x 51cm
