Pair Of 19th-century Gilt Bronze Candelabra With Putti

900 EUR

Period : 19th century

Condition : Etat d'usage

Material : Bronze

Description

Pair of three-light candelabra with foliate decorations featuring putti. One is draped in a ribbon and has a basket of overturned fruit at its base. The second is covered in vine leaves and has an inverted wine amphora at its base. They rest on square bases with three levels of different decoration. Origin: France. Period: mid-19th century. Pair in good overall condition with a lovely patina. Height: 38 cm
