### Description

The timeless elegance of bentwood Choosing a historical piece of furniture means bringing a piece of applied art into your home that never goes out of style. The Thonet curved beech cradle 1800s represents the excellence of European cabinet-making, combining a lightweight structure with surprising strength. Michael Thonet, the famous German cabinet-maker, revolutionized design in the 19th century thanks to the technique of steam-bending wood, allowing for the creation of sinuous and elegant shapes. Therefore, this piece is not just furniture, but a testament to innovation that enriches any environment with innate class. Technical details and authentic charm The product is in good general condition, preserving the original patina that certifies its age and collectible value.
