

Art Deco Period Mosaic Stool

750 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Nacre

Diameter : 28cm

Height : 50cm

Description

Art Deco mosaic stool. The fine craftsmanship, symmetry, and alternating woods are undeniable. The contrast with the mother-of-pearl adds even more precision. All the stringing is lacquered, on boxwood, or with a cross grain. Even the molding on the edge of the seat features a ribboned decoration. The seat and column are joined by a chamfered upper section. The leg is arched. Delivery is possible but not included in the price.
