

Wooden Stamping Die ø25 Cm - Late 19th Century - Industrial Tool - Folk Art - No. 57814

120 EUR

Period : 19th century

Condition : En l'etat

Material : Solid wood

Diameter : 25

Description

Complex technical die composed of 4 removable sections for precision embossing. Original markings by 5 numbered metal plates: 5, 7, 8, 1, 4. Ingenious system allowing the die to be removed after pressing without damaging the relief. Superb patina from end-grain wood work; a solid 25 cm object in excellent condition. A rare piece for collectors of antique tools, for an industrial design cabinet of curiosities, or for wall display.
